

# Toronto Endovascular Conference

TEC 2017 will take place on Friday, March 24th

89 Chestnut Conference Centre

**Overall Conference Objectives:** At the end of this conference participants will:

- 1) Be able to describe and apply to practice management options in carotid disease
- 2) Be able to identify complex aortic aneurysm situations and complications and apply treatment strategies in their practice
- 3) Be able to describe and apply to practice EV and hybrid approaches to aortoiliac occlusive disease

**Timing:** 7:30 am to 6:00 pm

**Program:** The sessions will cover the following topics: carotid, aorta, extremity arteries and aorta iliac occlusive disease. The sessions will be comprised of case—based and small group discussions

# VITO

Vascular  
Imaging  
Toronto

VITO 2017 will take place on Saturday, March 25, 2017

89 Chestnut Conference Centre

**Overall Conference Goals:**

- 1) Improve the adherence to guideline—based technical and interpretation protocols of vascular ultrasound
- 2) Develop a better understanding for the rationale for applying guideline - adherent protocols
- 3) Improve patient outcomes through the application of guideline based protocols for ultrasound testing

**Timing:** 7:15 am to 5 pm

**Program:** The sessions will cover the following topics: aortic, carotid, peripheral arterial, venous and miscellaneous ultrasound topics. The sessions will be comprised of case based scenarios, small and large group discussions and presentations by faculty.

**Accreditation:** Royal College of Physicians and Surgeons of Canada – Section 1

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada, approved by Continuing Professional Development, Faculty of Medicine, University of Toronto. You may claim a maximum 8.0 hours for TEC and 8.5 for VITO (credits are automatically calculated). Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™.
